Assigned to: Hon. R. Gary Klausner,  
District Judge, Courtroom 850

TO THE COURT, ALL PARTIES IN THIS ACTION, AND TO THEIR  
RESPECTIVE ATTORNEYS OF RECORD:

PLEASE TAKE NOTICE THAT Plaintiff, JOSHUA ASSIFF (hereinafter  
“Plaintiff”) hereby respectfully submits the following response to statement of  
purported uncontroverted facts and conclusions of law and additional facts giving  
rise to triable issues in opposition to the motion for partial summary judgment filed  
in this action by Defendants COUNTY OF LOS ANGELES and TRAVIS KELLY  
(hereinafter “Defendants”).

PURPORTED UNCONTROVERTED FACT	PLAINTIFF’S RESPONSE
1. On or about September 24, 2021, Plaintiff Joshua Assiff (“Plaintiff”), a 21-year-old black male, was pulled over and subsequently arrested by a male Caucasian motorcycle officer (“Defendant Kelly”).	UNDISPUTED
2. Defendant Kelly initiated the traffic stop at the intersection of Soledad Canyon Road and Sierra Highway because he observed a black GMC Terrain (driven by Plaintiff) make a right-hand turn without stopping for the steady circular red traffic signal (violation of California <i>Vehicle Code</i> section 21453(b)) and without yielding to pedestrians in the crosswalk (violation of California <i>Vehicle Code</i> section 21950(a)).	DISPUTED There was no probable cause for the stop in the first place. Plaintiff made a legal turn on a green light. (Exhibit 1, Assiff Depo 46:20-21; 54:7-9; 60:19-20; 101:20) As the light was green, there were no pedestrians in the crosswalk. (Assiff Dec. 2:1-3) Note: Defendant Kelly made no mention of the pedestrians in the crosswalk until after he needed to justify his unlawful use of force.

	(Exhibit B, Defendant Kelly's BWC generally)
3. The incident was captured on video by Defendant Kelly once he activated his non-department issued personal Body Worn Camera ("BWC") as he was dismounting his motorcycle at the outset of the traffic stop.	UNDISPUTED
4. From the beginning of the traffic stop, Plaintiff was argumentative with Sergeant Kelly about the reason for the traffic stop, and contradicted Defendant Kelly's statement that Plaintiff made a right-hand turn without stopping for the red traffic signal.	DISPUTED Plaintiff was polite and courteous to Defendant Kelly, always referring him as either "officer" or "sir." Plaintiff stated his position that the light was in fact green in response to Defendant Kelly's false assertions that the light was red. (See, Exhibit B, Defendant Kelly's BWC)
5. While Plaintiff was speaking, Defendant Kelly could smell a strong odor of burnt marijuana emitting from his vehicle.	DISPUTED There was no marijuana smell. It was 7:50 a.m. in the morning and Plaintiff was on his way to Basketball practice. Plaintiff did not ingest marijuana that morning. Plaintiff did not smoke marijuana that morning. Plaintiff had never smoked marijuana in the Vehicle. (Exhibit 1, Assiff

DISPUTED Once Plaintiff was requested to produce his driver's license for the first time, Plaintiff immediately complied and reached for his wallet. (See, Exhibit B, Defendant Kelly's BWC 07:53:25) Even Defendant Kelly in his deposition conceded that Plaintiff was in the process of producing his driver's licenses when Defendant Kelly, not Plaintiff, re-engaged Plaintiff in the debate over the color of the light. (Ferlauto Dec. 2:10-13)
16 17 18 19 20 21 22 23	9. At the third request for Plaintiff's driver's license, Sergeant Kelly warned Plaintiff to "give me your driver's license or you're going to jail."	DISPUTED Defendant Kelly did not request the driver's license three times. The first claimed request was interrupted by cross-talk and never completed. (See, Exhibit B, Defendant Kelly's BWC at 07:52:58)

(See, Exhibit B, Defendant Kelly's BWC at 07:52:58) Plaintiff stated his intention to record the interaction on his mobile phone after Defendant Kelly irrationally threatened to throw Plaintiff in jail 42 seconds into traffic stop for a minor traffic infraction. (See, Exhibit B, Defendant Kelly's BWC at 07:53:33-37)

UNDISPUTED However, it should be noted that this all happened simultaneous with Defendant Kelly grabbing Plaintiff's arm to prevent Plaintiff from recording the interaction on his mobile phone. (See, Exhibit B, Defendant Kelly's BWC at 07:53:40)
23 24 25 26 27 28	12. Between approximately 45 seconds and 1 minute and 20 seconds into the BWC footage, Defendant Kelly initiated physical contact with Plaintiff's left wrist to pull him out of the vehicle, which Plaintiff physically resisted	DISPUTED Plaintiff did not kick Defendant Kelly (Assiff Dec. 2:17-20; Exhibit 1, Assiff Depo. 145:9-13 "There was no – there was no

besides me pulling back my arm,  
none of that. While all that was  
going on, I didn't kick, I didn't  
punch, nothing." See also,  
Exhibit B, Defendant Kelly's  
BWC, Kelly grabs for Plaintiff's  
cell phone and no kick is visible,  
07:53:40) Apart from this  
"phantom kick" not being visible  
on the video record, it is  
implausible to the point of being  
impossible that it took place  
when Defendant Kelly claims  
during the fleeting moment when  
Plaintiff's legs are not visible,  
given Plaintiff's 6 foot 8 inch  
frame, and the fact that his long  
legs are seen wedged deep within  
the floorboard area seconds latter.  
Furthermore, Defendant Kelly  
conceded in his deposition the he  
did not see the kick. His  
motorcycle pants were thickly  
padded and it may have been  
Plaintiff's knee with which he  
came into contact. (See, Ferlauto

	Dec. 2:14-16) Basically, Defendant Kelly fabricated this claimed assault and battery on an officer to justify, after the fact, his unlawful use of force against Plaintiff.
13. Defendant Kelly then stepped back slightly from Plaintiff, radioed for backup, and yelled out for assistance to Deputy Joshua Clark, who was in the same parking lot.	UNDISPUTED
14. Plaintiff began to video record the incident on his cellphone.	UNDISPUTED
15. Defendant Kelly then ordered Plaintiff to exit the vehicle several times, and warned about the use of pepper spray if Plaintiff failed to comply.	UNDISPUTED However, it should be noted that after Defendant Kelly threatened to pepper spray Plaintiff only 73 seconds into a traffic stop for a minor traffic infraction, Plaintiff requested to speak with Defendant Kelly's supervisor. (See, Exhibit B, Defendant Kelly's BWC at 07:54:06)
16. Around 1 minute and 20 seconds into the BWC footage, Defendant Kelly deployed his pepper-spray against Plaintiff in a 1-2 second	UNDISPUTED However, it should be noted that Defendant Kelly deployed the pepper spray in immediate

<p>1 burst, and initiated second physical contact</p> <p>2 with Plaintiff to pull him out of the vehicle.</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p>	<p>response to Plaintiff's request to</p> <p>speak with Defendant Kelly's</p> <p>supervisor. The request to speak</p> <p>to the supervisor was at 07:54:06,</p> <p>the pepper spray was deployed at</p> <p>07:54:07 and Defendant Kelly</p> <p>can be heard angrily shouting "I</p> <p>AM THE SUPERVISOR" as he</p> <p>sprayed the pepper spray into</p> <p>Plaintiff's face. (See, Exhibit B,</p> <p>Defendant Kelly's BWC at</p> <p>07:54:06-7)</p>
<p>13 17. At about 1 minute and 25 seconds into the</p> <p>14 BWC footage, a second Deputy (identified as</p> <p>15 Deputy Joshua Clark) can be seen attempting</p> <p>16 to aid Defendant Kelly with Plaintiff to pull</p> <p>17 him out of the vehicle.</p>	<p>UNDISPUTED</p>
<p>18 18. Defendant Kelly reported that he saw</p> <p>19 Plaintiff punch Deputy Clark in the chest, and</p> <p>20 he punched Plaintiff in the face with his left</p> <p>21 fist.</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p> <p>26</p> <p>27</p> <p>28</p>	<p>DISPUTED</p> <p>Plaintiff did not punch Deputy</p> <p>Clark in the chest. 	<p>Defendant Kelly’s BWC, no punch by Plaintiff is ever visible. Furthermore, Defendant Kelly in his deposition conceded that he could not see the punch on the video and had trouble locating where in the video it allegedly occurred. (Ferlauto Dec. 2:17-19) Again, Defendant Kelly fabricated this claimed assault and battery on an officer to justify, after the fact, his unlawful use of force against Plaintiff.</p>
<p>19. The physical struggle between the two Deputies and Plaintiff continued for about 55 seconds while plaintiff was still seated in the driver’s seat of his vehicle actively resisting.</p>	<p>DISPUTED Plaintiff’s resistance was passive. (Defendant’s Exhibit G, Expert Report of Jeffrey J. Nobel, p. 18, ¶ 44) As can be seen from Exhibit B, Defendant Kelly’s BWC, generally, Plaintiff passively resisting the deputies’ efforts to remove him from the vehicle, the “struggle” was one sided as the deputies pepper sprayed, punched and choked Plaintiff. (Assiff Dec. 2:17-20; Exhibit 1, Assiff Depo. 145:9-13</p>

21. Shortly thereafter, Deputy Gallegos deployed his Taser to Plaintiff’s back through direct contact.	UNDISPUTED
22. At about 2 minutes and 27 seconds, the three Deputies were able to bring Plaintiff out of his vehicle and to the ground next to it.	UNDISPUTED
23. Once on the ground, Plaintiff continued kicking and pulling his arms away despite commands to get onto his stomach and stop resisting.	DISPUTED Plaintiff was obviously involuntarily thrashing about as a result of being pepper sprayed in the face a tased in the back. He did not kick or punch. (Assiff Dec. 2:17-20; Exhibit 1, Assiff Depo. 145:9-13 “There was no – there was no fight. It wasn’t me, you know, besides me pulling back my arm, none of that. While all that was going on, I

(Assiff Dec. 2:7-8, 13-16; Exhibit 1, Assiff Depo 39:21-23, 41:9-11, 131:6-8) Plaintiff did not kick Defendant Kelly. Plaintiff did not punch Deputy Clark. On September 25, 2021, a judicial officer of the State of California found that there was probable cause for Plaintiff's subject arrest for California <i>Penal Code</i> sections 69 (resisting an officer) and 243(b) (battery against the person of an officer).</p>	<p>DISPUTED This alleged "finding" is objectionable, irrelevant, and inadmissible. any collateral estoppel effect. The issue was never litigated. Plaintiff was not present. Plaintiff was not represented. Plaintiff was not given any opportunity to be heard. Only Defendant Kelly's short one-sided declaration was even considered. Also, this "proceeding" did not end with a final judgment on the merits. Plaintiff was never convicted of anything. *There was not even a preliminary hearing where Plaintiff might have had an opportunity to be heard.* There was no preliminary hearing, because there were no criminal proceedings. **This was a DA reject** – no charges were even brought by the District Attorney. There was not even probable cause for the traffic stop itself. (See, Response to Purported Uncontroverted Fact 27, above, and Additional Facts 101-103, below)

29. Based upon his education, training, experience, and review of materials to date, Defendants’ disclosed expert, Michael Gray, opines that there was probable cause for Plaintiff’s arrests.

This purported expert opinion on “probable cause” is improper inadmissible and irrelevant. <p>59. The LASD has a very comprehensive Use of Force manual that gives thorough and specific details on the use of force and the reporting of such use of force.</p>	<p>UNDISPUTED</p>
<p>60. Defendant Kelly knew that the County and LASD maintained and strictly enforced policies and procedures regarding traffic stops, as well as the use of force, including de-escalation procedures.</p>	<p>DISPUTED</p> <p>Defendant Kelly knew that he could act in a rude, unprofessional, discrediting, officious, and overbearing (if not illegal) manner and still be promoted to sergeant. In fact, Defendant Kelly claims he was required to sign a document stating that he had acted in a rude, unprofessional, discrediting, officious, and</p>

	overbearing (if not illegal) manner to secure his promotion to sergeant. (See, Additional Facts 140-151, Specifically Additional Fact 148)
61. Defendant Kelly received all required LASD training concerning how to conduct traffic stops and how to appropriately respond to passive and active resistance from motorists while conducting traffic stops.	DISPUTED Defendant Kelly did not receive adequate training as he did not appropriately respond in this incident. (See, Additional Facts 118-128) Defendant Kelly's superiors fabricated an incident that did not take place to support its position that Defendant Kelly had been properly trained in de-escalation techniques. (Exhibit 2, County 110) However, the County has no record whatsoever of this prior incident. (Exhibit 3) Furthermore, in deposition Defendant Kelly denied that any such incident took place. (Ferlauto Dec. 2:20-23)
62. Further, Defendant Kelly received LASD training concerning de-escalation procedures that may be used while conducting these traffic stops.	DISPUTED Defendant Kelly did not receive adequate training as he did not use any de-escalation techniques

	<p>in this incident. (See, Additional Facts 118-128) Defendant Kelly's superiors fabricated an incident that did not take place to support its position that Defendant Kelly had been properly trained in de-escalation techniques. (Exhibit 2, County 110) However, the County has no record whatsoever of this prior incident. (Exhibit 3) Furthermore, in deposition Defendant Kelly denied that any such incident took place. (Ferlauto Dec. 2:20-23)</p>
<p>63. Nothing in Defendant Kelly's personnel history presented as concerns that would give Defendant County of Los Angeles the impression that Defendant Kelly is either unfit for duty or dismissive of relevant policies and procedures.</p>	<p>DISPUTED</p> <p>Defendant Kelly is a bad motorcycle cop. He has repeatedly been subject to complaints from members of the public for being rude and abusive. (See Additional Facts 141-145) Defendant Kelly was cited for rude, unprofessional, discrediting, officious, and overbearing (if not illegal) conduct in connection with a</p>

	<p>incident where he himself fled from a traffic stop when he was pulled over by an LAPD police officer. (See, Additional Facts 147 and 148) Defendant Kelly was suspended for 4 days as a result of a serious use of force incident against an Hispanic inmate who he called a “faggot” and a “little punk” and opened his cell door against Department policy to challenge the inmate to a fight. (See, Additional Facts 149 and 150)</p>
<p>64. Supervisor and management personnel of the LASD, who supervise and manage Defendant Kelly for The County of Los Angeles, responded appropriately in the review and handling of this incident, specifically shown in Defendant Kelly’s superiors review and follow up report of the incident.</p>	<p>DISPUTED Defendant Kelly’s superiors in their use of force review attempted to demonstrate that Defendant Kelly was aware of appropriate de-escalation training and techniques by stated Defendant Kelly appropriately used these techniques with an uncooperative driver just 24 minutes prior to the incident involving Plaintiff. (Exhibit 2, County 110) However, the</p>

	<p>County has no record whatsoever of this prior incident. (Exhibit 3)</p> <p>Furthermore, in deposition Defendant Kelly denied that any such incident took place. (Ferlauto Dec. 2:20-23)</p> <p>Basically, the County fabricated an incident that did not take place to support its position that Defendant Kelly had been properly trained in de-escalation techniques.</p>
<p>65. Based upon his education, training, experience, and review of materials to date, Defendants’ disclosed expert, Michael Gray, opines that the County of Los Angeles responded appropriately to the incident, and; no pattern of unconstitutional acts by Defendant Kelly or the County of Los Angeles exist that caused Plaintiff injury.</p>	<p>PLAINTIFF DOES NOT DISPUTE THAT GRAY OPINED, BUT HIS OPINIONS ARE DISPUTED</p> <p>See Additional Facts 118-156</p>
<p>66. There is nothing in the record(s) reviewed that would indicate that the LASD failed to properly supervise Defendant Kelly.</p>	<p>DISPUTED</p> <p>When Plaintiff requested to speak to Defendant Kelly’s supervisor, Defendant Kelly pepper sprayed Plaintiff in the face and <i>claimed to be his own supervisor</i>. Thus, Defendant Kelly apparently had</p>

	no supervision whatsoever. (See, Additional Fact 113)
<p>67. The reporting process and follow up investigation was proper, thorough and followed LASD policies and procedures.</p>	<p>DISPUTED</p> <p>Defendant Kelly's superiors in their use of force review attempted to demonstrate that Defendant Kelly was aware of appropriate de-escalation training and techniques by stated Defendant Kelly appropriately used these techniques with an uncooperative driver just 24 minutes prior to the incident involving Plaintiff. 74. On May 10, 2023, Plaintiff made an expert disclosure which attached an expert report which provided no facts, opinions or conclusions with respect to either Plaintiff's claims or allegations regarding unlawful arrest, Monell liability or punitive damages. 5 6 7 8 9 10 11 12	120. De-escalation means taking action to stabilize the situation and reduce the immediacy of the threat so that more time, options, and resources are available to resolve the situation. 13 14 15 16 17 18 19 20 21	121. Police officers are trained that de-escalation is accomplished through verbal persuasion; slowing down a situation allowing for more time, options and resources; avoiding or minimizing physical confrontation; maximizing tactical advantage by increasing distance to allow for greater reaction time; and the use of shielding, when possible, for cover and concealment. Officers are trained that the attitude of the officer can affect the reaction of the driver and the outcome of a vehicle stop. <p>1 126. Here, instead of simply telling Mr.</p> <p>2 Assiff why he had been stopped, Sergeant</p> <p>3 Kelly initiated the conversation by asking Mr.</p> <p>4 Assiff the color of the light when he made his</p> <p>5 turn. When Mr. Assiff told Sergeant Kelly he</p> <p>6 believed the light was green, Sergeant Kelly</p> <p>7 told Mr. Assiff to stop and extended his hand</p> <p>8 out to Mr. Assiff in a manner consistent with</p> <p>9 telling Mr. Assiff to stop talking and told Mr.</p> <p>10 Assiff that he was “freaking out.” Mr. Assiff</p> <p>11 tried to explain his perspective to Sergeant</p> <p>12 Kelly and Sergeant Kelly told Mr. Assiff he</p> <p>13 was not going to talk. 37 seconds after his</p> <p>14 initial contact with Mr. Assiff, Sergeant Kelly</p> <p>15 told him to provide his driver’s license, or he</p> <p>16 would be going to jail.</p>	<p>Defendant’s Exhibit G, Expert</p> <p>Report of Jeffrey J. <p>17 127. 13	Supreme Court in its landmark decision	Report of Jeffrey J. Nobel, p. 15,
14	<i>Graham v. Connor</i> held that to determine	¶ 38
15	whether the force used to affect a particular	
16	seizure is reasonable, one must balance the	
17	nature and quality of the intrusion on the	
18	individual's rights against the countervailing	
19	government interests at stake. This balancing	
20	test is achieved by the application of what the	
21	Court labeled the objective reasonableness	
22	test. The factors to be considered include: 1.)	
23	The severity of the crime, 2.) Whether the	
24	suspect poses an immediate threat to the	
25	safety of the officers or others, and 3.)	
26	Whether the suspect is actively resisting or	
27	attempting to evade arrest by flight.	
28		

<p>1 131. Whether one's actions were objectively</p> <p>2 reasonable cannot be considered in a vacuum,</p> <p>3 but must be considered in relation to the</p> <p>4 totality of the circumstances. The standard for</p> <p>5 evaluating the unreasonable use of force</p> <p>6 reflects deference to the fact that peace</p> <p>7 officers are often forced to make split-second</p> <p>8 judgments in tense circumstances concerning</p> <p>9 the amount of force required. The</p> <p>10 reasonableness of a particular use of force</p> <p>11 must be judged from the perspective of a</p> <p>12 reasonable officer on the scene, rather than</p> <p>13 with the 20/20 vision of hindsight.</p>	<p>Defendant's Exhibit G, Expert</p> <p>Report of Jeffrey J. Nobel, p. 16,</p> <p>¶ 39</p>
<p>14 132. Police officers are trained and prepared</p> <p>15 to assess dangerous situations and respond</p> <p>16 accordingly. Police officers are trained that</p> <p>17 for their force to be reasonable the level and</p> <p>18 manner of force must be proportional to the</p> <p>19 level of resistance and threat with which they</p> <p>20 are confronted. Proportionality is best</p> <p>21 understood as a range of permissible conduct</p> <p>22 based on the totality of the circumstances,</p> <p>23 rather than a set of specific, sequential,</p> <p>24 predefined force tactics arbitrarily paired to</p> <p>25 specified types or levels of resistance or</p> <p>26 threat.</p>	<p>Defendant's Exhibit G, Expert</p> <p>Report of Jeffrey J. Nobel, p. 16,</p> <p>¶ 40</p>

<p>1 133. Whether or not the suspect poses an</p> <p>2 immediate threat to the safety of the officer or</p> <p>3 others is the most important of the <i>Graham</i></p> <p>4 factors. There must be objective factors to</p> <p>5 justify an immediate threat, as a simple</p> <p>6 statement by an officer that he fears for his</p> <p>7 safety or the safety of others is insufficient.</p> <p>8 There is no requirement that a police officer</p> <p>9 wait until a suspect harms another to confirm</p> <p>10 that a serious threat of harm exists, but</p> <p>11 merely a subjective fear or a hunch will not</p> <p>12 justify the use of force by police.</p>	<p>Defendant's Exhibit G, Expert</p> <p>Report of Jeffrey J. Nobel, p. 16,</p> <p>¶ 41</p>
<p>13 134. When determining whether or not there</p> <p>14 is an immediate threat to the officer or others,</p> <p>15 police officers are trained to assess a number</p> <p>16 of factors. These factors include, but are not</p> <p>17 limited to:</p> <p>18 a. Severity of the threat to officers or others.</p> <p>19 b. The conduct of the individual being</p> <p>20 confronted as reasonably perceived by the</p> <p>21 officer at the time.</p> <p>22 c. Officer/subject factors (age, size, relative</p> <p>23 strength, skill level, injury/exhaustion and</p> <p>24 number of officers vs. subjects).</p> <p>25 d. The effects of drugs or alcohol.</p> <p>26 e. Subject's mental state or capacity.</p>	<p>Defendant's Exhibit G, Expert</p> <p>Report of Jeffrey J. Nobel, pp. 16-</p> <p>17, ¶ 42</p>

- 1 f. Proximity of weapons or dangerous  
2 improvised devices.
- 3 g. The degree to which the subject has been  
4 effectively restrained and his/her ability to  
5 resist despite being restrained.
- 6 h. The availability of other options and their  
7 possible effectiveness.
- 8 i. Seriousness of the suspected offense or  
9 reason for contact with the individual.
- 10 j. Training and experience of the officer.
- 11 k. Potential for injury to citizens, officers and  
12 suspects.
- 13 l. Whether the person appears to be resisting,  
14 attempting to evade arrest by flight or is  
15 attacking the officer.
- 16 m. The risk and reasonable foreseeable  
17 consequences of escape.
- 18 n. The apparent need for immediate control of  
19 the subject or a prompt resolution of the  
20 situation.
- 21 o. Whether the conduct of the individual  
22 being confronted no longer reasonably  
23 appears to pose an immediate threat to the  
24 officer or others.
- 25 p. Prior contacts with the subject or  
26 awareness of any propensity for violence.
- 27 q. Other exigent circumstances  
28

1 135. Here, Sergeant Kelly said when he  
2 opened the driver's door of Mr. Assiff's  
3 vehicle, he grabbed Mr. Assiff's left wrist  
4 because he could not see where he was  
5 reaching to control him as he exited the  
6 vehicle. Sergeant Kelly said as soon as he  
7 grabbed Mr. Assiff's risk, Mr. Assiff  
8 aggressively pulled his arm away and kicked  
9 him in the left leg with his left foot.

10 a. The video evidence from Sergeant Kelly's  
11 BWC contradicts his statement that Mr.  
12 Assiff kicked him.

13 b. Instead, the video shows Sergeant Kelly  
14 yelling at Mr. Assiff to "Give me your  
15 driver's license now or you're going to jail!"  
16 Mr. Assiff immediately responds, "I'm going  
17 to . . .bro, hold on bro, let me get on my  
18 phone." Mr. Assiff appears to be holding his  
19 phone. Sergeant Kelly immediately opens the  
20 driver's door and tells Mr. Assiff to get out of  
21 the car. Sergeant Kelly appears to grab for  
22 Mr. Assiff and Mr. Assiff screams, "Whoa,  
23 whoa, whoa," and leans toward the passenger  
24 side of the vehicle as Sergeant Kelly backs  
25 away. Sergeant Kelly radios for a back up  
26 officer and yells to another deputy who is  
27 nearby. Sergeant Kelly then again orders Mr.  
28

Defendant's Exhibit G, Expert  
Report of Jeffrey J. Nobel, p. 17-  
18, ¶ 43

Assiff to exit the vehicle and tells him if he doesn't, he will get pepper sprayed. Mr. Assiff is holding his phone up apparently videotaping Sergeant Kelly and asks to speak with his supervisor. Sergeant Kelly yells, "I am a supervisor," and sprays Mr. Assiff with his OC spray in the face.

c. Sergeant Assiff said he used his OC spray because Mr. Assiff reached toward the center console with his right hand and fearing that he may be retrieving a weapon, he sprayed a 1-2 second burst of his OC spray at Mr. Assiff's face.

d. The video shows both of Mr. Assiff's hands just prior to Sergeant Kelly's use of the OC spray and Mr. Assiff never reached for the center console as claimed by Sergeant Kelly.

136. While Mr. Assiff was not complying with Sergeant Kelly's commands he was not actively resisting, but merely passively resisting.

a. Passive resistance is defined as "Does not respond to verbal commands but also offers no physical form of resistance."

b. Active resistance is defined as "Physically evasive movements to defeat an officer's

1 attempt at control, including bracing, tensing,	
2 running away, or verbally or physically

5 137. Police officers are trained that the use of	Defendant’s Exhibit G, Expert
6 OC spray for someone engaging in passive	Report of Jeffrey J. Nobel, p. 18,
7 resistance is excessive.	¶ 45
8 138. Sergeant Kelly and Deputy Clark	Defendant’s Exhibit G, Expert

10 Clark in the chest and Sergeant Kelly said in	19, ¶ 46
11 response he punched Mr. Assiff in the face.	
12 a. The video evidence does not show Mr.	
13 Assiff punching Deputy Clark, or anyone	
14 else, during the incident and Mr. Assiff	
15 denied that he ever punched or kicked	
16 anyone.	
17 b. There is no legitimate police training that	
18 instructs officers to strike subjects in the head	
19 or face; indeed, police agencies commonly	
20 instruct officers to avoid such strikes unless	
21 circumstances justify the application of	
22 deadly force. Under some circumstances	
23 strikes to the head or face can be reasonably	
24 expected to risk of causing death or serious	
25 physical injury. There is a substantial	
26 likelihood, depending on the type of strike	
27 and where the strikes connect, that a strike

will damage the eyes, nose, orbital bone, cheekbone, or jaw through blunt trauma; cause permanent scarring by, for example, tearing the skin or damaging the outer ear; cause a head to twist beyond normal rotation in a way that injures the cervical spine and or associated muscles; or cause an epidural hematoma, which can carry a substantial risk of death. Police officers in California are trained that serious bodily harm or injury means a serious impairment of physical condition, including, but not limited to, the following: loss of consciousness, concussion, bone fracture, protracted loss or impairment of function of any bodily member or organ, a wound requiring extensive suturing, and serious disfigurement.

c. The use of a punch to the face in these circumstances was excessive, objectively unreasonable and inconsistent with generally accepted police practices.

139. Deputy Clark said that he reached into the vehicle and attempted to wrap his right arm around Mr. Assiff's upper torso, but Mr. Assiff pulled his upper body back into the passenger seat and as a result, his right arm slid up around Mr. Assiff's shoulders and

Defendant's Exhibit G, Expert Report of Jeffrey J. Nobel, pp. 19-20, ¶ 47

neck. Deputy Clark said he did not apply pressure to Mr. Assiff's neck or attempt to apply a carotid restraint hold. Deputy Clark said he let go of Mr. Assiff's upper body and again tried to grab his left wrist and grabbed his hair in an attempt to pull him out of the vehicle.

a. Deputy Clark's actions were captured by Mr. Assiff's cell phone video.

b. While Deputy Clark claims he immediately released his neck hold, it appears that deputy Clark pulled Mr. Assiff from the vehicle by use of his neck hold.

c. The use of a neck hold in these circumstances is excessive, objectively unreasonable and inconsistent with generally accepted police practices.

140. Defendant Kelly is a bad motorcycle cop. He has repeatedly been subject to complaints from members of the public for being rude and abusive.

See, Additional Facts 141 through 150, below.

141. In July of 2013, Defendant Kelly was rude to a motorist during a traffic stop. He threw the driver's license back at the motorist (a nurse), took back the citation, changed it, gave it back to the motorist, and said, "now it's double."

Exhibit 4; COLA 34-37

142. In November of 2019, Defendant KELLY was dealing with a motorist involved in a collision. The motorist complained that Defendant KELLY was incomplete, defensive, disrespectful and condescending. The Department investigated and concluded, “our employee could have been better.”	Exhibit 5; COLA 65-67
143. In February of 2020, Defendant KELLY was accused of harassing a motorist and arresting a motorist for merely having an expired registration. After an investigation of the complaint, the Sheriff’s Department again concluded, “our employee could have been better.”	Exhibit 6; COLA 71-72
144. In April of 2020, Defendant KELLY was subject of a personnel complaint while dealing with a member of the public who called into the station to complain about excessive motorcycle noise. Defendant KELLY, a motorcycle cop and rider, reportedly refused to accept the report, was rude, and threatened to hang up.	Exhibit 7; COLA 69
145. In June of 2022, Defendant KELLY was once again rude to a motorist. He threw the motorist’s credentials back at the motorist and told him to “enjoy your citation.” After an investigation of the complaint, the Sheriff’s	Exhibit 8; COLA 73-75

10	himself pulled over by a sergeant with the	
11	LAPD for speeding. Defendant KELLY was	
12	rude to the sergeant, questioned where he	
13	worked, and drove off from the traffic stop	
14	before the sergeant could cite him. The	
15	Sheriff’s Department investigated the incident	
16	and yet again officially concluded “the	
17	actions of [Defendant KELLY] should have	
18	been better.” Internally, Defendant KELLY’s	
19	supervisor found, “[y]our actions were	
20	unprofessional and your behavior brought	
21	discredit to yourself and the Department.”	
22	148. In deposition, while discussing the June	Ferlauto Dec. 2:24-3:6
23	2014 incident, Defendant Kelly confessed	
24	that he did not like working for an African	
25	American captain and only signed the	
26	performance log entry (COLA-40) because	
27	his signature was coerced from him.	
28		

Allegedly, the African American captain threatened to withhold Defendant Kelly's promotion unless he signed the performance log entry. If Defendant Kelly is to be believed, he was required to admit to rude, unprofessional, discrediting, officious, and overbearing (if not illegal) conduct to secure his promotion to sergeant. Defendant Kelly also admitted to signing the performance log entry so he could stop working underneath the African American captain.

149. In July of 2015, Defendant Kelly was criticized for his conduct leading up to a use of force incident against an Hispanic inmate. According to reports, Defendant Kelly had a history of conflict with this Hispanic inmate. Defendant Kelly caused this inmate to be sentenced to 29 days of discipline for allegedly being disrespectful, and yet it was Defendant Kelly who had been disrespectful. He said to the inmate, "What the fuck are you, a Southsider (an Hispanic jail gang member)" After sentencing this Hispanic inmate to discipline, Defendant Kelly taunted the inmate outside his cell. Defendant Kelly called the Hispanic inmate a "faggot" and "little punk." When the inmate responded by

Exhibit 10; COLA 57-59

1 2 3 4 5 6 7 8 9 10	saying he should have taken his shot at Defendant Kelly at the discipline hearing, Defendant Kelly responded, “Oh you want a chance?” Then Defendant Kelly, against department policy, ordered the inmate’s cell door opened, stood in the doorway, and said, “Here’s your shot.” A physical altercation between the inmate and Defendant Kelly ensued and the inmate claimed he was beaten and choked.	
11 12 13 14 15 16 17 18 19 20 21 22	150. Defendant Kelly was criticized for this use of force by his supervisor for there being no video of the incident, there was no radio broadcast of the incident, and Defendant Kelly opened the cell door against department policy. An internal affairs investigation apparently resulted in Defendant Kelly being suspended for 4 days, but the suspension was not given until almost three years later in April of 2017. Furthermore, Defendant Kelly in his deposition admitted that he never served the 4 day suspension.	Exhibit 11, COLA 60-64; Exhibit 12, COLA-44; Ferlauto Dec. 3:7-9.
23 24 25 26 27 28	151. In spite of all of these glaring warning signs showing that Defendant Kelly is unfit to be a Sheriff’s Deputy, he was nevertheless promoted to sergeant and in his July 2020 performance evaluation his supervisor wrote,	Exhibit 13, COLA 23

1	“you are an outstanding sergeant and a key	
2	member of my team.”	
3	152. The incident that is the subject matter of	Assiff Dec. 2:9-12
4	this lawsuit happened while Plaintiff was	
5	traveling to the Antelope Valley. However, it	
6	occurred in Santa Clarita, in a northern part of	
7	the County, but just one Sheriff’s Department	
8	station adjacent to but south of the actual	
9	Antelope Valley.	
10	153. The Los Angeles County Sheriff’s	Exhibits 14 and 15.
11	Department has a long and sordid history of	
12	racial profiling and discriminatory traffic	
13	stops, particularly in the County’s northern	
14	stations, such as the Antelope Valley. For	
15	years, black and Latino residents in the	
16	Antelope Valley complained they were the	
17	victims of racially biased stops and searches	
18	along with other mistreatment by Los	
19	Angeles County Sheriff’s deputies. In 2013,	
20	the US Department of Justice, Civil Rights	
21	Division analyzed Sheriff’s Department data	
22	from tens of thousands of vehicle and	
23	pedestrian stops, interviewed hundreds of	
24	people and reviewed volumes of internal	
25	sheriff’s documents, and after this thorough	
26	analysis the Department of Justice “found that	
27	LASD’s Antelope Valley stations have	
28		

engaged in a pattern or practice of discriminatory and otherwise unlawful searches and seizures, including the use of unreasonable force, in violation of the Fourth Amendment, the Fourteenth Amendment, and Title VI.” The findings forced the county to reach a legal settlement with federal authorities in 2015 that called for significant reforms and continued oversight.

154. However, despite all of this, the racial profiling and discriminatory traffic stops persist, as evidenced by continued gross racial disparities. An NCCD report from 2020 found on the Sheriff’s Department’s own website entitled, “An Analysis of Racial/Ethnic Disparities in Stops by Los Angeles County Sheriff’s Deputies in the Antelope Valley” the report found that Black drivers make up 32% of all traffic stops even though they account for only 17% of the population. The report also found that black drivers once stopped were more likely to have both their vehicle and their persons searched, more likely to experience backseat detentions, and more likely to be asked if they are on probation or parole. All this is in spite of the fact that black drivers have a much lower

Exhibit 16.

contraband discovery rate (15.4%) than either their white or Hispanic counterparts (24.4% and 22.3% respectfully). This problem with racial profiling and discriminatory traffic stops in the Antelope Valley is not an isolated single incident, but rather a persistent and ongoing problem with the Los Angeles County Sheriff's Department recognized by the US Department of Justice, Civil Rights Division.

155. The racial disparities also existed in those suspicious use of force incidents (such as the incident between Plaintiff and Defendant KELLY) where a suspect was charged with only resisting arrest or obstructing an officer but no other crimes. U.S. Department of Justice, Civil Rights Division found as follows: "Perhaps most strikingly, we found that 81% of the uses of force we reviewed where the only charge was obstruction-related involved targets who were African American or Latino. For the 25 felony obstruction-only arrests, 88% involved victims who were people of color. This is an extraordinarily disproportionate number of obstruction charges involving use of force against people of color and warrants close attention by the

Department. See, *Arlington Heights*, 429 U.S. at 266 (intent may be established by "clear pattern, unexplainable on grounds other than race")."

156. The US DOJ's findings and the findings of the Sheriff's Department's own oversight monitors show that the unconstitutional racial profiling and discriminatory traffic stops in the northern parts of the Sheriff's Department's jurisdiction, as well as the County's supervision, training, retention, promotion and rewarding of violent and abusive deputies such as Defendant Kelly reflect the County's unwritten policies, customs, practices and usages in violation of the Fourth and Fourteenth Amendment respectively to the United States Constitution, which policies, customs, practices, and usages resulted in Plaintiff's injury and the County's *Monell* liability.
